

Parker Allan

Software Engineer
parkerallan2000@gmail.com
github.com/parkerallan - parkerdev.net

PROFILE

Professional with a strong technical foundation in Software Development, Automation, AI, and Quality Assurance. Proven ability to solve complex engineering problems and deliver measurable value to organizational goals. Passionate about expanding technical and domain expertise across industries to drive innovation.

EXPERIENCE

Vasion

Software Engineer | *Sept 2026 - Present*

Software Development Engineer In Test | *Oct 2025 - Sept 2026*

Associate Software Development Engineer In Test | *May 2023 - Oct 2025*

QA Engineering Intern | *Sep 2022 - May 2023*

- Daily development work spanning IAM, RBAC, Tenant Management, and Administrative microservices
- Creating & managing 250+ automated API and browser tests using Datadog, Cypress, and Selenium testing suites across 20+ microservices
- Working with teams to develop quality best practices and test cases on new services
- Managing CI/CD pipelines and release deployments to production regions
- Experience with Go, Vue, Python, and PHP

SureStart

Artificial Intelligence & Machine Learning Trainee | *June 2022 - August 2022*

- Participated in team research into machine learning frameworks such as Convolutional Autoencoders and Generative Adversarial Networks (GANs)
- Participated in an MIT research study on AI literacy and retention
- Experience with Python, SciKit, TensorFlow, Keras, Google Colab, and Angular

SparkAI

Data Entry Mission Specialist | *March 2022 - July 2022*

- Reviewed and corrected Computer Vision detection data on autonomous vehicles
- Collaborated with teams to ensure data accuracy and positive reinforcement

EDUCATION

Bachelor of Science in Software Development

Champlain College - GPA 4.0 | Summa Cum Laude | February 2025

- Calculus and Discrete Mathematics, Data Structures and Algorithms, C++, Web Development, Networking and Security, Computer Architecture, Operating Systems

CERTIFICATIONS & AWARDS

- CompTIA A+ (220-1101/1102)
- Axelos ITILv4 Foundations
- Champlain College Trustee & President's List
- Phi Theta Kappa Honors Society Member
- Alpha Sigma Lambda Honor Society Member
